Terms & Conditions

All fish must be caught in Sturgeon Lake between July 1st 2015, and September 5th 2015. To have your fish qualify, **you must be registered 5 hours before you begin fishing**. Your fish must be weighed and measured during regular store hours. Please be prepared to provide information on the location of your catch. Fish must be brought in alive and in good condition. Prizes will be rewarded on Sunday September 6th, 2015 after all entries have been tabulated and a winner is determined. The weight is the measurement in which the winner is determined. In the case of a tie the length of the fish will determine the outcome. All scores will be posted in our store and on our web site (www.longbeachtackle.com) for public viewing. Please be advised that the judges will make the final decision, and all decisions are final. By signing below you verify that you are in the appropriate age category. **(You may be asked for identification and proof of age.)** Large fish such as Muskie and Pike are not permitted in the 13 and under category. Failure to comply with any of the terms and conditions may result in your fish scores being disqualified, and your entry fee will not be returned.
